

Follow The Outline of My Cravy Body With Your Finger

Date : Jan 11, 2017

My body is a delight arch; come and touch off your faculties.

Excellent chestnut eyes that radiance and hypnotize at first look. Delicate, pillowy cheeks. Succulent strawberry lips. Thin and slight shoulders. Hair of plush black that sparkles when gotten in the light and ricochets as I float into the room.Â

Continue following down my tasty bends and delicate smooth skin, kept rigid and conditioned by yoga. Actually peppy modest bunch measure bosoms with a cherry of an areola at the middle. Get nearer. Touch my shapely, peach of a goods. Turn me around to my other arrangement of lips...the access to my jewel cave...yours for the taking.Â

I may begin with a little kiss. Brushing my lips over yours. Touching your trunk as I become more acquainted with your body. I listen to each solid, and watch each move as I commit myself to pleasuring you in each conceivable way. I touch, I bother, I lick, I suck. I kiss, I taste, I touch, I stroke.Â

I slide and pound and groan and buck my hips in sheer enjoyment at what your body has made inside. As we relax in the luminosity I gently hold you and listen to the sound of our taking in sweet syncopation.Â

My body is a delight arch; come and touch off your faculties.Â
