FOR IMMEDIATE RELEASE

Madden NFL17 is one of the best sport video games available out there and it lets you play as some of your favorite football (American football, not the real one) starts as you kick, run and dive your way to victory. Madden 17 has developed a new ground game mechanic that provide players a more balanced experience. In addition to this, the new defensive AI puts players' teammates into positions to stop the run or pass game. Features such as Ultimate Team and Franchise mode will make a return, however, many of their features have been revamped and upgraded
