

## Pro Chef Kitchen Tools Offers Lightning Deals On Amazon Stainless Steel Funnel Set For Prime Day 2017

**Date :** Jul 7, 2017

Top brand Pro Chef Kitchen Tools introduces a new Stainless Steel Funnel Set that is useful for improving the whole kitchen experience. Now available on steep discounts during Amazon Prime Day 2017.

Beaverton, OR (July 07, 2017): Funnels are one of the most ignored kitchen tools for manufacturers as well as customers. The renowned brand Pro Chef Kitchen Tools has brought a new [Stainless Steel Funnel Set](#) that comprises of removable strainers and small to large funnels for wine preparation, making essential oils and every day cooking tasks. It also includes a small metal flask funnel.

This is a full funnel set manufactured out of industrial grade stainless steel, which offers a clean, vibrant finish. It is durable and can last many years of hard, continuous use. The Stainless Steel Funnel Set consists of 4 funnels including extra-large funnels to the mini flask funnel. The larger units are perfect for baking purposes and pouring other liquids that are highly viscous. The mini funnels, on the other hand are perfect for preparing herbal tonics or for combining essential oils.

The larger units come with a removable strainer that allows easier pouring of grease, sauce and other thick fluids. The largest ones in the set have handles made of stainless steel and the small funnels have an extending lip along with a hanging hole. These are highly versatile in form.

Strainers can easily be removed from the larger funnels, which make the units more flexible. The smart design and the use of industrial-grade stainless steel make the [Stainless Steel Funnel Set](#) capable of withstanding almost anything. The funnels are capable of retaining their shape for many years and can be useful in the preparation of more than just kitchen tasks. There are unlimited possibilities with this [Stainless Steel Funnel Set](#) from Pro Chef Kitchen Tools.
